Hot Topic

Access for Deaf and Hard of Hearing

GEMA/HS is working closely with the group All Hands On to provide critical information to the Deaf and Hard of Hearing Community in Georgia. A team of American Sign Language interpreters is embedded at the State Operations Center and is producing informational videos regarding COVID-19 in ASL that are broadcast across our social media platforms. They are also providing interpreting services for Governor's press conferences. Presidential Executive Order 13166 - "Improving Access to Services for Persons with Limited English Proficiency" requires meaningful access consistent with the fundamental mission of the agency. Georgia is in full compliance with this EO.
