Step 2: Enter permit number (Address search shown later at step 5)

The screenshot shows a web browser window titled "Cherokee Status - online planning, permit and business license data - Mozilla Fi...". The address bar shows the URL "www.cherokeega.com/applications/cherokeestatus/index". The page content includes a search form for permits with the following fields: Application Number (containing "PR20130001684"), Project Name, Contact Name, Street Address, and Parcel ID (PIN). A red circle highlights the "Application Number" field with the text "Enter Permit Number" overlaid. Below the form, a red circle highlights the "search records" button with the text "Click Search Records" overlaid. The page also features a "Business License" section and a "Renew online 2013!" banner.

Step 3: Click on the permit number.
