

NOTICE TO: Lending Institutions and Real Estate and Insurance Agents

SUBJECT: Flood Insurance Rate Map Zone Information

As a public service, Cherokee County will provide you with the following information upon request:

- In most cases, whether a property is in or out of the Special Flood Hazard Area (SFHA) as shown on the current Flood Insurance Rate Map (FIRM) of Cherokee County.
- Additional flood insurance data for a site, such as the FIRM zone and the base flood elevation or depth, if shown on the FIRM.
- We have a handout on the flood insurance purchase requirement that can help people who need a mortgage or loan for a property in the SFHA.

If you would like to make an inquiry, please tell us the street address and, if available, the subdivision, lot and block number. We are open 8:00 am to 5:00 pm, Monday - Friday. Call us at (770) 479-0503 or drop by the Engineering Department of Cherokee County. There is no charge for this service. The Engineering Department can also make available completed FEMA Elevation Certificates for buildings that were constructed in the floodplain since 1999.
