Message from the Director

On behalf of the Cherokee County Recreation & Parks Advisory Board and the Cherokee Recreation & Parks Agency (CRPA) staff, I am pleased to present the 2018 Annual Report.

This report contains a brief summary of our activities for the year. It includes highlights from the many programs and special events held throughout the year; a summary of the agency’s finances; awards and recognitions achieved; an overview of the amenities available in our parks; the number of visits and program participation numbers; as well as a summary of our capital projects.

It was a very busy year for recreation & parks in Cherokee County. In addition to the many outstanding programs and events offered to our citizens, we hosted dozens of tournaments and swim meets that brought visitors to our county.

Several additions to parks were added including a new public sculpture at Patriots Park and the Monument at Cherokee Veterans Park.

Yours in Recreation,

Bryan D. Reynolds, CPRP
Agency Director

Participation & Park Visits

Over 3.4 Million Visits to Parks & Program Participations in 2018 including:

1.52 Million for Youth & Adult Athletics

Over 191,000 Visits to the Cherokee County Aquatics Center

More than 926,000 Visits to parks for Outdoor Activities like trails, fishing & boating, playground use, etc.

Over 21,100 Program Registrations in FY18
In 2018, Cherokee County unveiled the first piece of public art installed in a county park at Patriots Park. The sculpture, which depicts the American flag, was created by Gregory Johnson and installed at the entrance to the park.

Following the approval of the conceptual design for the Monument at Cherokee Veterans Park, Cherokee County completed the schematic design and construction of the monument prior to Veterans’ Day 2018. The official ribbon cutting was held on November 20, 2018.

The centerpiece of the design is a large United States Flag with five granite walls and plaques depicting the names and mottos for each branch of service along with the year each was founded. The pentagon-shaped plaza includes seat walls and a five-pointed star with a column at the point and the seal for each branch of the armed services on the column. The monument also includes an area in tribute to those veterans who suffered captivity as “Prisoners of War” or who remain “Missing in Action”.

Each point of the star includes 4x8 inch and 8x8 inch brick pavers to thank our veterans and commemorate their service. Veterans, their families and civilians alike can participate in the monument by purchasing a brick paver.

Cherokee County was awarded a grant through a Statewide Initiative with the Georgia Recreation and Parks Association and Gametime, Inc. to install a playground at Cherokee Veterans Park and outdoor exercise equipment at Hobgood Park. Using local funds and the matching grant, these projects are scheduled for installation beginning in January 2019.

Tennis courts at Kenney Askew Park received crack repair and resurfacing including the addition of lines for four pickleball courts on two of the tennis courts.
Financial Overview

Value for Your Property Tax Dollars

In FY18, the average homeowner paid just $8.13 in property taxes for recreation and parks maintenance and operations.

Three primary sources contribute to the Recreation & Parks Fund; earned revenue, excise taxes on beverage sales in unincorporated Cherokee County, and transfers from the county general fund. Other sources make up less than 1%. In FY18, CRPA generated more than 52% of its budget, nearly double the national average for public recreation and parks agencies.
