**Cherokee Area Transportation System (CATS)**  
*Greg Powell, CATS Director*

Cherokee Area Transportation System (CATS) provides public transportation services for residents of Cherokee County.

Mission: Our mission at CATS is to provide excellence in all areas of service that we provide to the citizens of Cherokee County.

Values: We value and support our clients and our fellow employees, and strive to exceed expectations in a safe, courteous, timely, and efficient manner.

CATS is a service of the Cherokee County Board of Commissioners utilizing funding provided by Cherokee County, State of Georgia and Federal Transit Administration.

**Cherokee County Recycling Center**  
*Troy Brazie, Recycling Center Manager*

The Recycling Center promotes responsible environmentalism through waste management practices, pollution prevention and education that result in protection and improvement of land, water, and air. The Recycling Center accommodates the expanding recycling needs of our County, offers prompt and efficient litter pick up to our citizens and, raises awareness about the importance of preventing our roads, waterways, and air from becoming polluted.

**Northside Cherokee Conference Center**  
*Lorrie Keener, Venue Manager*

The Northside Cherokee Conference Center is strategically located in the Bluffs at Technology Park. The facility is adjacent to the Hickory Log Reservoir and serves as the hub for local government, business/industry and residential communities.

Our facility offers advanced technology, multiple conference rooms, a grand ball room, full catering services and more for your conference, corporate meeting, exhibition, or social event.

**Cherokee Recreation & Parks**  
*Jay Worley, Recreation & Parks Director*

Cherokee Recreation & Parks is the principal provider of public parks and recreation programs in Cherokee County. Our mission is making life better in Cherokee County by preserving our parks and facilities while creating more active and healthier communities through recreation. We concentrate on providing a variety of recreation opportunities for youth and adults in the areas of athletics, aquatics, instructional programs, special events, and therapeutic recreation as well as the upkeep and maintenance of our parks.

We partner with a variety of other organizations throughout the county to maximize our resources and further expand recreation opportunities in the county.

**Cherokee County Senior Services**  
*Tim Morris, Senior Services Director*

Senior Services provides educational, social, leisure and recreational activities for senior citizens that are looking to have some fun, make some friends and find socialization. Our daily Congregate program includes entertainment, field trips, Bingo, crafts and educational guest speakers. Lunch is served daily and transportation is available upon request. Those wishing to participate must be at least 60 years of age and live in Cherokee County.
