ADDENDUM # 1

Solicitation Number: 2023-032
Solicitation Name: Juvenile Frug Court Treatment Provider
Addendum Release Date: July 5, 2023

Prime Bidders/Proposers acknowledge the receipt of this Addendum by inserting the number and date in the appropriate position on the Proposal Form. Failure to do so may subject the Bidder/Proposer to disqualification. This Addendum is a part of the Contract Documents. It modifies them as follows:

1. I have been trained as a provider in multiple adult Drug Court treatment groups. Would additional training geared toward juveniles be required and/or provided?

Answer: Training specific to juveniles would be provided through mandatory conferences such as the CACJ Annual Conference. If we receive federal funding, we will attend the NADCP conference. CACJ does offer trainings throughout the year specific to treatment providers.

Should there be a new program that we wish to implement, funding will be requested through grants for the treatment provider to attend. Proper training will be provided to ensure evidence-based programs are implemented with fidelity to the model.
