Notice of Cancellation RFP 2024-002

Due to a reassessment of the project's scope and budget, the County finds it necessary to cancel RFP 2024-002. This decision does not come lightly, and we understand and appreciate the effort that all parties have put into their proposals. It is the County's intent to release a new solicitation in or before third quarter in alignment with a comprehensive project assessment update that is currently underway.

Thank you for your patience and continued interest in working with Cherokee County.
