FEMA National Rumor Control Page

FEMA has developed a National Rumor Control page. The purpose of this FEMA page is to help the public distinguish between rumors and facts regarding the response to the coronavirus (COVID-19) pandemic. Rumors can easily circulate within communities during a crisis, so stay informed with updated myths vs. facts related to the federal (COVID-19) response. Some of the rumors debunked on the site are National Quarantine, the need to stockpile groceries, and more. The link is: <https://www.fema.gov/Coronavirus-Rumor-Control>
